

# Camp RSA 2022

Camp RSA at Right Start Academy will run for eleven (11) weeks, Tuesday, June 21<sup>st</sup> through Thursday September 2<sup>nd</sup>. **RSA will be closed on Monday, 6/20/22 and Friday, 9/2/22**. Each week will have a different theme where children will learn, grow, and experience a variety of fun and exciting activities.

## **Week 1: Survivor Week**

June 21<sup>st</sup> – June 24<sup>th</sup> (Closed 6/20)

Join the Castaways and use your wits to compete in daily challenges for fun prizes! No one will be voted off this island as we practice teamwork to show our skills in this super fun week of Survivor!

## **Week 6: RSA Scavenger Hunt**

July 25<sup>th</sup> – July 29<sup>th</sup>

Look high, look low, look up, look down this week will be sure to have your mind racing around! Can you use the clues to find the hidden prize? Team work will be the key to mastering the fun that will be had this week. Get your magnifying glasses and clues ready and let the hunt begin!

## **Week 2: OPERATION: Board Game!**

June 27<sup>th</sup> – July 1<sup>st</sup>

No one will be SORRY they took a CHANCE on this week as there certainly won't be a MONOPOLY on all the fun that will be had. Who thinks we can make a life-size board game? We sure do, and will have loads of fun winning prizes and making memories in the process.

## **Week 7: "Fun"ginengineering**

August 1<sup>st</sup> – 5<sup>th</sup>

This week we will be igniting a curiosity for math and science as we design, create and build. Each camper will have fun building their own catapult, stomp rocket, and other exciting STEM projects each day.

## **Week 3: High Octane**

July 5<sup>th</sup> – July 8<sup>th</sup> (Closed 7/4)

Join us for this fast-paced week of high energy fun! Students will get a chance to step into the driver's seat as they zoom their way into learning what makes things go! From assembling the most complicated racing car sets to creating our own race track, the creativity and engineering will be in full force this week!

## **Week 8: Out Of This World!**

August 8<sup>th</sup> – August 12<sup>th</sup>

Space, the final frontier...these are the voyages of the RSA summer campers! Join us this week as we explore the moon, sun, planets, and stars. What fun we will have creating our own planet. We will transform into aliens from Planet RSA and create a new world of our own where we make the rules!

## **Week 4: Flower Power**

July 11<sup>th</sup> – July 15<sup>th</sup>

A-tisket, A-tasket a flower making basket! Students will enjoy getting their hands dirty this week as they plant a variety of seeds to nourish and grow at home. Parents, have your coins ready as they end the week with a flower mart where they will split all the money earned!

## **Week 9: Master Chef Jr.**

August 15<sup>th</sup> – August 19<sup>th</sup>

Campers will learn and showcase their culinary skills during this week of food and fun! Mixing, blending, cutting, and more...we will measure, make, and decorate culinary masterpieces! We will even sell these gourmet creations each day to RSA families at pick-up. Yummy, Yummy, for my tummy!

## **Week 5: Friendship/Unity Week**

July 18<sup>th</sup> – July 22<sup>nd</sup>

Grab your best friend and join us as we celebrate friendship and unity. We will have an amazing time doing all the fun things that best friends do: friendship bracelets, matching outfits, PJ party, pen pal letters, and more. If you don't have a best friend, you will surely make one this week.

## **Week 10: Are you Smarter than a...?**

August 22<sup>nd</sup> – August 26<sup>th</sup>

Come on down, you're the next contestant on Game Show RSA! Everyone's a winner as we work this week to create and complete brain teasers, trivia questions, and much more as we try to determine...Are you smarter than (shhh...a parent)! We will create our own game show and look forward to having you join in on the fun.

## **Week 11: School Is Cool**

August 29<sup>th</sup> – September 1<sup>st</sup> (Closed 9/2)

What's your favorite subject in school? Join us as we end summer with making learning fun! This week is filled with math games, science experiments, art projects and more as we discover all the ways that SCHOOL IS COOL! This week is a perfect end to summer and great refresher to start the school year off right!
