

Internship Requirements

Right Start Academy's internship program was created to provide high school students with meaningful hands-on experience in a professional environment while helping them prepare for future careers. Interns will strengthen communication, teamwork, leadership, and workplace readiness skills while working alongside experienced educators and administrators. This program is ideal for students interested in education, business, leadership, customer service, or child development and is designed to help students gain confidence, responsibility, and valuable work experience before graduation.

Duties & Responsibilities

- Assist teachers with classroom setup and educational activities
- Help organize supplies and learning materials
- Support children during classroom activities and transitions
- Assist with special events and seasonal projects
- Observe classroom management and teaching strategies
- Greet families and provide customer service support
- Participate in team meetings and professional development opportunities
- Maintain a clean, organized, and professional environment

Qualifications

- Current high school student
- Minimum 2.75 GPA
- Positive attitude and willingness to learn
- Ability to work well with others
- Reliable, responsible, and professional
- Open to constructive feedback and growth
- One teacher recommendation required

How To Apply

Students interested in joining the Right Start Academy Internship Program should complete an online application and submit one teacher recommendation.
